Customize a topic specific to your needs!

M

Mike McMillion,
Certified
CI and CT; NIC Master
TX-IV and TX-Court

From beginning to advanced, interpreters benefit from professional development. Whether you are seeking individual feedback within a safe, mentoring relationship, adding small group skill development seminars or seeking a presenter for your next conference, Mike offers a variety of topics at an affordable price to suit your training needs. Topics include ASL Linguistic features, Sight Translation, Demand-Control Schema, and more!
